Walking on broken glass

You were the thing that I ever knew
But I don't care for honey if I can't have you
Since you've abandoned me
My whole life has
Won't you pick the pieces up
Cause it just like I'm walking on broken glass

Walking on walking on broken glass (2x's)

The sun's still in big blue sky
But it don't mean nothing to me
Oh let the come down
Let the wind blow through me
I'm living in an empty room
With all the smashed
And I've got so little left to loose
That it feels just like I'm walking on broken glass

Walking on walking on broken glass (2x's)

And if you're trying to cut me down
You know that I might
Cause if you're trying to cut me down
I know that you'll
And if you want to hurt me
There's nothing left to
Cause if you want to hurt me
You're doing really well my

Now everyone of us was made to
Everyone of us was made to weep
But we've been hurting one another
And now the has cut too deep
So take me from the wreckage
Save me from the blast
Lift me up and take me
Don't let me keep on walking
I can't on walking on broken glass

Walking on broken glass

You were the sweetest thing that I ever knew
But I don't care for sugar honey if I can't have you
Since you've abandoned me
My whole life has crashed
Won't you pick the pieces up
Cause it feels just like I'm walking on broken glass

Walking on walking on broken glass (2x's)

The sun's still shining in big blue sky
But it don't mean nothing to me
Oh let the rain come down
Let the wind blow through me
I'm living in an empty room
With all the windows smashed
And I've got so little left to loose
That it feels just like I'm walking on broken glass

Walking on walking on broken glass (2x's)

And if you're trying to cut me down
You know that I might bleed
Cause if you're trying to cut me down
I know that you'll succeed
And if you want to hurt me
There's nothing left to fear
Cause if you want to hurt me
You're doing really well my dear

Now everyone of us was made to suffer
Everyone of us was made to weep
But we've been hurting one another
And now the pain has cut too deep
So take me from the wreckage
Save me from the blast
Lift me up and take me back
Don't let me keep on walking
I can't keep on walking on broken glass
